# Class Song

## *Fingerprints of God*

by Steven Curtis Chapman

I can see the tears filling your eyes  
And I know where they're coming from  
They're coming from a heart that's broken in two  
By what you don't see  
The person in the mirror  
Doesn't look like a magazine  
Oh but when I look at you  
It's clear to me

[CHORUS]

That I can see the fingerprints of God  
When I look at you  
I can see the fingerprints of God  
And I know it's true  
You're a masterpiece that all creation  
Quietly applauds  
And you're covered with  
The fingerprints of God

Never has there been and never again  
Will there be another you  
Fashioned by God's hand and perfectly planned  
To be just who you are  
And what He's been creating  
Since the first beat of your heart  
Is a living, breathing  
Priceless work of art

[CHORUS]

And I can see the fingerprints of God  
When I look at you  
I can see the fingerprints of God  
And I know it's true  
You're a masterpiece that all creation  
Quietly applauds  
And you're covered with  
The fingerprints of God

[BRIDGE]

Just look at you  
You're a wonder in the making  
And God's not through  
In fact, He's just getting started!

[CHORUS]
